# JOURNAL OF ASSOCIATION OF CLINICAL ENDOCRINOLOGIST AND DIABETOLOGIST OF BANGLADESH (JACEDB)

January 2024 | Volume 3 | Number 1

## Information for the contributors

Journal of Association of Clinical Endocrinologist and Diabetologist of Bangladesh (JACEDB) is the official publication of the Association of Clinical Endocrinologist and Diabetologist of Bangladesh (ACEDB). JACEDB has been launched in January 2022.

This Journal aims to publish scientifically written, evidence-based, clinical practice and healthcare research related to Endocrinology, Diabetology, and Metabolic disorders. Manuscripts should present novel findings addressing significant questions in clinical medicine research and practice, in the form of original article, editorial, review, short communication, case report, letter to the editor, and others maintaining ethics.

The Journal is printed on paper and available online from the official website of ACEDB ([www.acedbbd.org](http://www.acedbbd.org)). The circulation number of JACEDB per issue is five hundred (500 copies). For subscription, submission and other information, please visit our website [www.acedbbd.org](http://www.acedbbd.org) and you can mail us at [journal.acedb@gmail.com](mailto:journal.acedb@gmail.com).

The journal adheres to the COPE (Committee on Publication Ethics) standards regarding publication ethics. JACEDB is published twice in a year (January and July). This Journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge. This is a non-profitable journal and currently having no article processing fee.

All rights reserved. No part of this publication may be reproduced, stored in a retrieval system or transmitted in any form without the written permission of the publisher.

The following are the minimum requirements for manuscripts submitted for publication, which is based on uniform requirements for manuscripts submitted to biomedical journals recommended by the International Committee of Medical Journal Editors (ICMJE). Web site of ICMJE is [www.icmje.org](http://www.icmje.org).

Author(s) should give their name and initial with cell phone numbers and e-mail addresses along with the institutional affiliation. The name and address of corresponding author should be mentioned in the title page. Article must be accompanied by a forwarding letter, signed by all the authors, containing statements that they are the only authors, that is not under consideration by another journal, and that this material has not been previously published. Paper is accepted after peer review by the expert(s) as per recommendations.

Standard abbreviations may be used. Avoid abbreviation in the title. Table and illustrations should be separated from the text of the paper. References must be in the ICMJE/Vancouver style.

The Editor reserves the customary right to style and if necessary to shorten the material accepted for publication. Editor assumes that the works are based on honest observations. It is not a task of the editor to investigate scientific fraud paper.
